

# Beacon Hill

## *Community School*

June 4, 2024

Dear Parent/Guardian of all Kindergarten, First Grade, and new incoming students:

This letter is to notify you that in accordance with state law, all new students enrolled at Beacon Hill Community School will be screened for hearing, vision, speech and communications, and health or medical problems, and for any developmental disorders.

If the results of any screening reveal the possibility of special learning needs, Beacon Hill Community Academy will conduct further assessments in accordance with Chapter 3313 of the Revised Code.

These screenings are necessary for academic success. It is important for parents to know that screenings are not a substitute for regular medical/vision examinations.

If you have any questions or concerns about this information, please do not hesitate to call the school.

Sincerely,

Joy Zuercher-Pyle  
Superintendent
