RE: Testing Transparency, Section 1111 (b) (2)

Dear Parent/Guardian:

You have the right to request, and the district provide to you on request (and in a timely manner), information regarding any State or district policy regarding student participation in any assessments mandated by section 1111(b)(2) and by the State or district, including a policy, procedure, or parental right to opt the child out of the assessment, where applicable. We also want to make you aware that the district makes widely available through public means, for each grade served by the district, information on each assessment required by the State to comply with section 1111, other assessments required by the State, and where the information is available and feasible to report, assessments required districtwide by the district, including—(i) the subject matter assessed; (ii) the purpose for which the assessment is designed and used; (iii) the source of the requirement for the assessment; and (iv) where such information is available—(I) the amount of time students will spend taking the assessment, and the schedule for the assessment; and (II) the time and format for disseminating results. On the following page you will find a list of required assessments at each of the grade levels.

You may acquire more information regarding assessments by contacting the Superintendent, Joy Zuercher.
