OFFICE OF SCHOOL SPONSORSHIP
SCHOOL PERFORMANCE FRAMEWORK

This framework provides a comprehensive system for evaluation and monitoring of a community school's academic, operational, legal and fiscal performance. This framework is used to inform decisions on renewal and revocation, corrective action and/or probation considerations for sponsored schools. The goal is for each school to achieve 60% or greater points available in each of the respective areas of academic performance, organizational (operations and legal) compliance, and fiscal performance; however, conditional approval may be considered for those schools not achieving 60% in all areas, but averaging an overall 70% score. During a renewal year, evaluation will include consideration of the current year and the most recent three (3) years of data in each respective area.
