

Student Interest for 2024-2025 School Year

Beacon Hill is excited to be adding 6th grade for the 2023-2024 school year, and we are working towards the goal of adding grades K-5 for the year 2024-2025. As we work on details for this expansion, it would be helpful to know potential enrollment numbers as we prepare.

If you would be interested in sending students to Beacon Hill for any grade level (K-12) for the **2024-2025 school year**, please complete the table below. This is not an official enrollment list; however, it will allow Beacon Hill to plan for appropriate class sizes as well as to ensure that we send you the most appropriate information for your family as we move forward.

If you know a family who would like to join the **2024-2025 lists** who did *not* receive this form, we have extra forms in the school office, they can be emailed, or encourage them to call the school office (330-359-5600) and we can take their information over the phone. Forms can be returned either by mail (P.O. Box 285 Mt. Eaton, OH 44659) or by email (tesc_jzuercher@tccsa.net).
